Internal Meetings/Discussion/Projects

- Staff is collecting 2024 applications for outside agency funding requests. Applications for 2024 funding will be accepted through June 13, 2024.
- The City of Florence is finalizing details on a new system that will greatly enhance our ability to efficiently communicate with citizens and broaden its current options and reach for doing so. It is anticipated that we will be providing all details, including how to sign up, by the end of May.
- The City of Florence has started the process of reviewing website content in preparation for compliance with upcoming legislation regarding ADA accessibility requirements. One of the requirements of this legislation is that all items and documents on the City's website will need to become fully ADA accessible. This includes both items currently posted to the City's website and any items which may be posted in the future. The City remains committed to providing citizens with transparency and access to all information. In order to honor this commitment while still being cognizant of the administrative burden this compliance creates, we are reviewing where redundancies in document posting may exist and plan on discontinuing the current practice of redundant document posting in the near future. This does ***not*** mean the City will discontinue posting any of the information that is currently posted; rather, the City will only be posting the majority of items in one location on the website.
